

# Wisconsin NatureMapping Newsletter

[www.wisnatmap.org](http://www.wisnatmap.org)

April 2006  
Volume 1, Issue 11

## Wisconsin NatureMapping Data From March 2006

- 369** Total NatureMapping Observations  
(compared to 197 in February)
- 11.9** Observations/day  
(compared to 7.04 in February)
- 1505** Animals observed  
(during those 369 total NM observations)
- 49** New NatureMappers Registered  
(during Mar. 2006, 591 NM-ers total)

### Top 5

Animal	# Obs.
Canada Goose	343
Tundra Swan*	150
Wild Turkey	112
Northern Cardinal	71
American Robin	63
White-tailed Deer	55

\*All 150 Tundra Swans are from one observation period.

**NOTE: Enter your observations on the website regularly so they are included in monthly calculations.**

## Upcoming Trainings

**May 6** – Garlic Mustard Monitoring Workshop, UW-Eau Claire Phillips Hall Room 219, 9:00am – 2:00 pm. Learn to identify this highly invasive forest floor plant, the impacts of garlic mustard on native plants, how to control infestations, and reporting GM sites to the NatureMapping website. No cost, 715-877-2212 or [sara@beavercreekreserve.org](mailto:sara@beavercreekreserve.org) to register.

**June 3** – Franklin 7:30 am – 10:00 am. Wehr Nature Center, 9701 W. College Ave. No cost, call 414-425-8550 to register. We will be on the trail at 7:30 am until 9 am focusing on birds and watchable wildlife. From 9-10:00, we will work indoors to learn how to document observations on the Wisconsin NatureMapping website.

**June 7, July 17, August 22** – Beaver Creek Reserve, Fall Creek. All trainings will be held at the Citizen Science Center from 6:00 – 7:30. Call 715-877-2212 to register.
